ABOUT THE WORK

Phrygian Festival Overture was commissioned in honor of the 10-year anniversary of Westfield Community School in Algonquin, Illinois. To connect the composition with the occasion, I selected the pitch motive D-E-C-A to refer to the Greek word for “ten”. This motive is interwoven melodically and harmonically into several sections of the work. The main scalar pattern used within the work is that of the Phrygian scale (for example, EFGABCD). The modal scales used give the work a refreshing dissonance and lend the work an ancient Middle-Eastern feel.
